

Final Day, Volleyfest 2017, Manly Beach, NSW

On the final day of the World Tour Beach Volleyball held at Manly, Sydney, Australia's beach volleyball duo of Taliqua Clancy and Mariafe Artacho del Solar took on China for the grand final match of the tournament.

In a very exciting game, where the crowd was roaring, Australia was crowned champion in a close two sets.

The President of volleyball, Craig Carracher, and the Patron of Volleyball Mrs. Gina Rinehart were again beach side, supporting Aussie volleyball, and on hand to present the Hancock Prospecting perpetual trophy.

Warmest congratulations to our two international stars, gold medal winners, Taliqua Clancy and Mariafe Artcaho del solar .
