

## Final night of Australia's Beach Volleyball

After the success of Australia's men's beach volleyball team, the women's duo of Mariafe Artacho del Solar and Taliqua Clancy took to the court to face Canada, (one of the world's leading beach volleyball teams) in the women's beach volleyball finals.

The evening crowd, including Patron Gina Rinehart and Volleyball President Craig Carracher, were booming with cheers during the very close rallies, however Australia was beaten by very strong competition in two sets.

Huge congratulations to Mariafe and Taliqua for their efforts during the Commonwealth Games, and for their silver medals!

Photos below from their finals match.
