

## The 2018 Hancock Prospecting Synchronised Swimming Australia Open and Age Group Championships

The 2018 Hancock Prospecting Synchronised Swimming Australia Open and Age Group Championships were held over the Easter break in Brisbane. Australia's best synchronised swimmers came together, putting on outstanding performances in the lead up to the world championships, competing not only for the nationals, but also against talented competitors from six Asian countries. Patron Mrs. Gina Rinehart was poolside, cheering on the girls enthusiastically, who are such wonderful young athletes and ambassadors for our country.
